"BES is now B++"

BES College Jayanagar, has been accredited with 'B++' Grade by NAAC.

The National Assessment and Accreditation Council (NAAC) is an apex body of the UGC, under the Ministry of Human Resource Development of the Government of India.

There are only about 66 B++ Colleges in Karnataka, BES is one.

The NAAC Assessment is based on Academic, Administrative and Infrastructural criteria.

UNDER GRADUATE PROGRAMMES

Humanities, Commerce, Management & Computer Applications

BACHELOR OF COMMERCE (B.Com)

Bachelor of Commerce (B.Com): B.Com equips students with a strong foundation in various aspects of commerce, such as accounting, finance, economics, and business management. It prepares students for careers in banking, finance, accounting, consulting, and various other sectors of the business world. Additionally, it provides opportunities for further specialization through postgraduate studies (M.Com. & MBA) or professional certifications like chartered accountancy (CA), certified management accountant (CMA), and chartered financial analyst (CFA).

BACHELOR OF ARTS (B.A)

B.A. offers a broad-based education in humanities, social sciences, and liberal arts, fostering critical thinking, communication skills, and cultural awareness. It allows students to explore diverse subjects such as literature, history, sociology, psychology, political science, and philosophy. B.A graduates possess strong analytical abilities and cultural understanding, making them adaptable to various career paths including education, media, journalism, public relations, research, and government sectors.

BACHELOR OF BUSINESS ADMINISTRATION (B.B.A)

BBA focuses on developing managerial and administrative skills necessary for effective leadership in various organizations. It provides knowledge to students in the field of human resource, marketing, strategic management, operation and logistics. BBA graduates are well-prepared for management positions in diverse industries or can pursue further studies in management or related fields.

BACHELOR OF COMPUTER APPLICATION (B.C.A)

BCA focuses on providing students with a solid foundation in computer science and applications. It includes programming languages, software development, database management, networking and web development. It prepares students for careers in the rapidly growing field of information technology. BCA graduates are equipped with technical skills, problem-solving abilities with latest technologies which is essential for success in the digital era.

ABOUT BHARATH EDUCATION SOCIETY

FOUNDER'S MESSAGE

“The aim of the society, the Institution and my dream is to enable facilitating learning through complementary networks of students, faculty and industrial pioneers to its best”

Late Sri B.L LakkeGowda B.A., B.L.
Special Deputy Commissioner (Retd.)

BES Institution was founded in 1972 by visionary late Sri K R Marudeve Gowda, a retired IAS Officer and led by founder Sri B.L. Lakke Gowda Spl. Deputy Commissioner (Retd). The college is Affiliated to Bengaluru City University, Recognized under section 2(f) and 12B of the UGC Act 1956 and Accredited by NAAC with B++ Grade .

The College is spread over 4.23 acres of lush green campus. It is located in Jayanagar 4th block. The college strives for the holistic development of the students and is committed to provide education and opportunities for upward mobility of the students from socio-economically and academically backward section, in accordance with the avowed intentions of the founder. The Management, Principal and the Staff of BES College work tirelessly to uphold the Vision and Mission of the Institution.

VALUE STATEMENTS

SHRADDHAVAN LABHATE JNANAM

OUR VISION

To impart value-based, quality education to rural as well as socially and economically backward students at an affordable cost and empower them with knowledge to develop holistically from person to personality.

OUR MISSION

- To Develop students' talents through extra-curricular and co-curricular activities.
- To empower them with adequate skills to ensure their employability.
- Promote life skills to become independent and responsible citizens of society.

Location

Students happily opt for this esteemed institution as the college is located in the heart of the city and is easily commutable from all four corners. It is very well connected to urban, semi-urban and rural areas also, metro and bus terminals are within walkable distance.

FROM THE PRINCIPAL'S DESK

Warm Greetings! It gives me immense pleasure in welcoming you to our college. It is with a profound sense of humility and privilege that I address this message as the newly designated Principal of this prestigious institute. I feel truly humbled that I have been bestowed with the great responsibility of leading this institution to the dazzling and sparkling shores of grandeur.

Education is a shared commitment between Management, Faculty, Students and Parents. B.E.S College with the motto of “Shraddhavan Labhate Jnanam” has been catering to the aspiration of socio-economically backward students since 52 years.

Our Institution focuses on providing a dynamic and conducive learning environment in which it is possible to foster a sense of individuality and personal development. We also guide our students and empower them to enrich their ideas to life and make them employable citizens, valuable to society.

Apart from academics college encourages and motivates students to participate in Cultural, Sports, NSS and Extra-curricular activities for the holistic development of students.

The enlightened management, well-qualified staff and adequate infrastructure that are conducive to learning will help you realize and unleash your potential. Whatever turn your life might take, I am confident that your ambitions will find their bearing at this temple of learning. Along with the dedicated and experienced staff, we focus on character-building, meaningful educational innovations and moral upbringing. Be rest assured that as we leap forward, our students and their needs will always be at the center of the decisions we make.

Together with all, I look forward with wholehearted co-operation and support from all the stakeholders to lead this institution to greater glory.

Prof. N. Ashok Kumar
M.A., M.Phil., (Ph.D.),
Principal

STUDENT SUPPORT SERVICES

BES College boasts of a modern and well-equipped infrastructure catering to various needs of the students :

Physical Infrastructure

BES College is proud of its state-of-the-art, fully functional infrastructure catering to the various needs required for a meaningful academic pursuit.

1. **AUDITORIUM** : Modern audio-visual equipment is housed in two distinct auditoriums that serve as a central location for academic, cultural and other events.
2. **CANTEEN** : The College canteen facility offers a wide variety of homely food at affordable cost, making it a comfortable and convenient place for students and staff.
3. **GIRLS' HOSTEL** : Our college has a girls' hostel that offers a secure and comfortable living space.
4. **SPORTS** : Games and sports are vital for students' physical and mental development, they are recognized to foster holistic growth in learners. The College has dedicated a large play area for sports and encourages students to be physically active and to practice good sportsmanship.
5. **DRINKING WATER** : The college also emphasizes on health by providing access to clean and safe drinking water with a RO plant inside the campus.
6. **PARKING FACILITY** : The college campus has ample parking space to accommodate staff and student vehicles.
7. **SECURITY** : Security Guards are on duty 24/7, the campus security is supplemented by CCTV monitoring inside the classroom and outside, which assists in detecting and preventing untoward incidents in the campus.
8. **PUBLIC ADDRESS SYSTEM** : Our College uses a Public Address System for announcing notifications, emergency communications, and any alerts. Our PA system covers all the classrooms as well as the exterior parking lots, sports fields, and interior common areas.

Academic Infrastructure

Our college boasts of a robust academic infrastructure featuring:

1. **INDUCTION PROGRAM:** The College offers a comprehensive induction program for new students, ensuring a smooth transition and fostering a sense of belonging from the outset.
2. **MENTORSHIP :** Dedicated mentors offer personalized guidance and support to students, guiding them through course selection, career planning and personal development, creating and nurturing environment for success.
3. **FACULTY APPRAISAL:** The College regularly evaluates faculty to maintain high-quality teaching and learning experiences, encouraging continuous improvement and staying updated with the latest educational practices.
4. **FEEDBACK FROM STUDENTS:** The College actively seeks student feedback to continuously improve its curriculum, teaching methodologies, campus services and fostering a student-centric learning environment.
5. **FEEDBACK FROM TEACHERS:** The College encourages teachers to contribute to curriculum design, administrative processes and institutional effectiveness through a two-way feedback system, fostering collaboration and innovation.
6. **DIFFERENTLY ABLED STUDENTS:** The College is dedicated to inclusivity, offering comprehensive support services for differently abled students, including accessible facilities, specialized equipment and trained staff to ensure equal opportunities.
7. **WHATSAPP GROUP :** A WhatsApp group for students and staff facilitates communication, collaboration and community building within a college ecosystem, offering a secure, safe and focused learning environment for students.

Knowledge Infrastructure

Our knowledge infrastructure encompasses the resources & networks that support the acquisition, creation, dissemination, and utilization of knowledge:

1. **LIBRARY :** The College has an advanced automated library that is fully equipped with a vast array of print and electronic academic resources, such as scholarly publications, textbooks, and reference materials. Students can access both digital and physical materials, which creates a favorable atmosphere for learning and research.
2. **BUSINESS LAB :** Employing state-of-the-art hardware and software, the business lab gives students practical experience in a range of areas related to finance, entrepreneurship, and company management. Students get the practical skills necessary for success in the business world through projects.
3. **COMMUNICATION LAB :** The College's communication lab provides an opportunity for students to improve their written and oral communication abilities. Students can improve their capacity to communicate ideas clearly and confidently with the use of multimedia presentations, language seminars, and public speaking practice facilities.
4. **COMPUTER LAB :** It is dedicated space with having high version computer system, LAN and Internet Facility. It enrich the students practical knowledge and gives a hand-on experience to students to learn the latest technologies like video editing, programming and data analytics.
5. **DIGITAL LIBRARY :** The digital library is an excellent addition to the traditional library since it gives students easy access to a wide range of e-books, e-journals academic databases, and internet based resources. Students' experience is further enhanced by the digital databases, which guarantees access to resources and do research at any time from anywhere through web based platforms

6. **COLLEGE WEBSITE :** The college website provides a centralized platform for students and prospective applicants, offering essential information about courses, faculty, events, and campus life. It facilitates seamless communication and engagement within the college community.
